Messages of Condolence

Our heartfelt condolences to Bob's family. We knew Bob through his longtime friend Gloria. He will indeed be remembered as an artist, storytelling and sense of humour. Bob is now free from pain and suffering. May he rest in peace.

Bob was a dear friend for over 40 years. He was always there to provide encouragement or lend a helping hand whenever someone needed it. Bob was a very talented artist and could create beautiful graphic, detailed drawings of buildings and scenery. He also was great at landscaping and working with wood. There wasn't much that Bob couldn't do when he put his mind to it. Bob liked to phone just to keep in touch and see how things were going with his friends and cared deeply about the people that were important to him. We will miss him dearly. Rest peacefully Bob and watch over us that are left behind.

My deepest condolences to the Hall Family. I met Bob in the mid 70's at a Christmas party and the rest is history. I will totally miss his crazy sense of humour, that was our bond for all these years. He was easy going with a kind heart, only those very close to him knew that!!! And I was one. Rest In Peace my friend.
