Auntie Debbie, Lloyd, Justin, and family,
I am so sorry for the loss of a great man. I know we haven’t been close for many years, but I very often think about the summers I spent there with you. Uncle Lloyd was in my eyes, an extension of my dad; the only uncle I had for many years, and always someone I admired.
I am praying for you all. I pray you know comfort as you grieve, and in your time together as a family. You are on my heart, and I continue to think about you. Lots of Love to you.

— Inid Starrenburg

Debbie and family no words can make your pain go away. I am so sorry to hear about the passing of Llyod
