Messages of Condolence

Sharon and family;

We were very shocked to hear of Brad's passing. We are out of the country and unable to attend his remembrance Friday, but our thoughts will be with you and all his friends. Brad was a great friend and helped us several times with Alfa issues. We will always remember the fun Alfa things we did, and his enthusiasm in participating in events. Especially we remember when we hosted the National Convention in Calgary (Alfa Rodeo) and had your family's great support. There will always be good memories.

Linda and I were so surprised to hear of Brad's passing. So sorry to miss the remembrance on Friday, Sept 7. Our sincerest condolences to you Sharon, and your family. I always have fond memories of Brad. I remember meeting Brad in 1981, shortly after taking the plunge into the world of Alfa's. He was very helpful, and it was sure appreciated. He was always an enthusiastic supporter at CAMS and Vintage Racing events, well known and respected. He will be missed very much. Please let me know if there is anything we can do!

It has been many years since I last saw Brad. He shared his automotive passion with me when I was much younger. Always offering advise and encouragement. Very sorry to hear that he is gone. We all know what an incredible person he was. Today I manufacturer auto parts, thanks in part to Brads influence.

Kind regards, Glen McNeill
