## Messages of Condolence

Michael, I have so many fond memories of you over the years, I will cherish these forever. Whether it was on the farm or at the hospital, it was very easy to see you were most happy as long as you could be helping others, whether it be an animal, or a person in need. You are a very caring, loving soul, and I am proud to call you my brother. I am relieved that your health problems are no longer an issue, but can't help thinking your time came way too soon. Until we meet again, I hope you know I love you and will always keep you close to my heart and thoughts.

— Jeff
