

Geeno Harrison

NOVEMBER 6, 2021

We are horribly saddened to announce the sudden passing of Geeno Harrison at the age of 27 years.

While Geeno's life was cut short, the lasting impression he left on anyone who knew him will never be forgotten. Geeno's zest for life took him many places usually at a speed of "Full Throttle". He was extremely talented in many areas and had a joy for life like none other. Geeno was passionate about snowboarding and the mountains were always calling his name. He had an eye for beauty that was portrayed in every photo he took. His soft heart shone through in his love of animals. Geeno will forever live on in the memories of all who knew him and will be missed more than words could ever describe.

There will be no service and Geeno's ashes will be scattered in the mountains he so dearly loved.

There are no goodbyes for us.

Wherever you are, you will always be in my heart.

Love Mom

I was blessed to have a young Geeno in my life when I was an assistant Scout leader and his teacher at school. He was also a friend of my son, who was his age. Geeno went skiing with us one time and he was on a canoe trip I was helping with for Scouts.

He loved to start the campfire!! In fact we got the other kids to set everything up and then he was so happy when he was the one who got to start it. I'm not sure how old they were at that time ... maybe 11 or 12. I remember his laughter and his smile on that trip. I also remember laying against a tree in a beautiful forest and him coming over and laying down beside me using my leg as a pillow.... before I knew it, I had five boys laying around me using me as a pillow and just talking about life! It is a cherished memory and I remember feeling how much Geeno wanted love and acceptance. I truly wish I would have kept in touch with him over these years as he got older. I pray that he is with His Father in Heaven.

Rest in Peace young man.

Geeno and I were there for one another throughout 2019, and during that year I got to know what it was like to have someone who was there for me like I was there for him and his pup Dobby. Rest in peace dude till we meet again

My condolences and deepest sympathy to the family and those connected to Geeno. He was my hockey linemate for a small tournament in Eston. I sure did love his sense for adventure....

Geeno... what a shock to know you're gone. You were always so warm and kind. I remember so many laughs we had over the years at KLBC and when I moved to Weyburn you were ecstatic. You were always so welcoming and helpful and I wish I would've kept in touch. I will carry you in my heart, friend. Rest In Peace.

I knew a young Geeno in highschool and we never connected, im not sure a single word was spoken between us all 3 years.... Years later our paths crossed in a NA meeting in a basement of a church in Weyburn and I remembered him instantly but had no idea he was struggling. After he contributed to the meeting and spoke his truth, I remember feeling an overwhelming sense of compassion for him. Here he was all these years and I genuinely had no idea he lived through such struggle. As time went on and we attended more meetings together, I got to learn what a genuine and trying individual he was. He was going to find his place in this world no matter what anyone thought of him. He had a sense of pride about himself even when he was down. After awhile he stopped attending the meetings but he made a huge lasting impact on me. i vividly remember his sober plans for his life and its devastating he doesn't get anymore chances to get it right. I was rooting for you so hard man. Rest in Peace Geeno
