Margaret Georgina Hart

DECEMBER 22, 2020

Margaret Georgina Hart, beloved daughter of the late David and Edna Hart; precious mother of, Linda (Bill) Ayrhart and the late Lawrence (Wanda) Leach; adored grandmother of Amanda (John) Ginn, William Ayrhart and Travis (Alison) Ayrhart; and best of all she was a G.G. to Wee Alexis. Mom was a private person who helped her family in anyway she could. She always looked out for the underdog and volunteered many hours to help her community. Mom lived in Perth, Ontario for most of her life and moved to Alberta to be with family in her final ten years. When her precious great-granddaughter came to visit, she turned into a child herself. Sarge the cat will be very lost without Mom. We are so thankful that she came to live with us, so we have lasting memories. There will be no service held, donations to your local Humane Society would be greatly appreciated.

Messages of Condolence

Thinking of you and sending hugs your way. Linda, your mum was a sweet lady who always made me smile. Love ya

— Lori Menard

Our thoughts and prayers go out to all of those she left behind who cared for her. She was a special lady who will be missed by many people.

Carol and I were saddened to hear of your mother’s passing.

As you know Alexis came to visit her a week before she died. Alexis came home with the Elsa outfit (from Frozen) from her GG and played in it for hours putting on the tiera, earrings and necklace. It was magical, a perfect gift for Alexis. I’ve posted a short video of her on Facebook - sorry no sound - but she’s saying bippity boppity boo while waving the wand. I’m sure she enthralled her GG when she first put the outfit on.

Our thoughts are with you and we extend our condolences on behalf of the Van Koughnett family.

Linda, I’m so sorry to hear about Aunt Margaret’s passing. I remember her as the feisty lady that entertained kids and made those lovely stuffed animals. I always wondered if I got my love of reading from her. So sorry for your loss and sending you love and peace.
