Debbie,

I just heard that Auntie Joan passed away. I'm so sorry to hear such sad news and want to extend my deepest sympathy to you.

I was just reflecting today on Christmases long past when we were young and used to spend Christmas Eve together waiting for Santa to come fill our stockings and then when our families would spend Christmas Day together. Those are cherished memories. I have very fond memories of Auntie Joan. She had a big impact on my life and I have thought of her often throughout the years. Although I had not seen her for a very long time I often missed her.

My heartfelt condolences go out to you.

Fondly,

Leslie
