## Messages of Condolence

Mom, you've always been there for us, never missing to send a birthday card with wishes, a special occasion or a family gathering. Those who knew you will remember your caring ways, your sense of humor, your beautiful smile and your endless generosity. Though sadly missed, we will always love you and keep you close in our hearts forever.

I love you mom, rest in peace and know that we are not far away, Dale

Betty,

You may have left this worldly body, but you will never be forgotten.

I like to think that you are with your family that passed before you.

I also think that if you are with dad, that he had a drink ready to welcome you.

There will never be anyone else like you, you were very special and loved by a lot of people.

You will stay in a special place in everyone's heart forever. Miss you Marguerite

What we would give for just once more chance,

To say hello.

To see those red shorts and white t-shirt walking through the door.

To hear your voice and see your smile,

To just sit with you and chat a while.

You will be forever in our thoughts and heart.

We will miss you dearly. Keep smiling

Love Your brother Leo and Sister in law Shirley

Aunt Betty,

Like a shimmering rainbow appearing briefly after a storm, we are reminded that life, too, is fleeting, even in all its glory and it is only in memory that beautiful moments can remain in our grasp.

You will forever be in our thoughts.

We love you

Angela, Tammy and Family

So sorry to read of Betty's death. We have such good memories of our time with her at their anniversary celebration, her lovely smile that persisted through years of chronic illness and her obvious love for her family. Our sympathy to all Aunt Janice and Audrey
