I am saddened to hear of Audreys passing. Many, many years have gone by since I last saw her at my father, her cousin Oscar Lundgard's funeral, but I can still remember the summer days I spent with her uncle Albert, my grandfather on the farm west of Claresholm. She was fun to be around along with her dog Shiela and all the goats, it was a beautiful place to be. I still look at pictures now and then of her and her parents, and think of Granny Cook,, fond memories. Sincerely Gerald
