## Messages of Condolence

My deepest heartfelt condolences to Jim and his family. I worked with Jim for about 20 years and he was a one-of-a-kind person and a very colourful character. His passions were music, playing the guitar and teaching guitar and also history and he left a lasting mark on all of his music students with not just his teaching but also with his personality. Jim is going to be greatly missed but he lived his life his own way and would not have done anything differently. Thanks for everything, Jim and I hope to see you again some day. Mike Vancha

It seems like it was just last year when Jim and Gary Taylor stopped by my place in Calgary in March on a 650 triumph on their way to Vancouver. We had a great time and I thank Jim for exposing me to Mike Bloomfield and Al Cooper , I still listen to them and thank you Jim you were a cool dude. See you on the otherside.
