It's hard to put into words the loss of someone who meant so much to so many. Herb wasn't just a mentor to me, he was a guiding presence for countless people in the trade and beyond. I was incredibly fortunate to learn from him, and even more honoured to one day stand alongside him and his brother Bruno as partners at Pine Mechanical. Herb carried himself with a warmth that was unmistakable, always smiling, always patient, and always willing to share his knowledge. He had a true gift for teaching and took pride in helping others grow in the plumbing trade. More importantly, he was a devoted family man who led by example, always putting his loved ones first. He earned the respect of everyone who knew him, not just for his skill, but for his character. My heartfelt condolences go out to Helga and the Klammer family. Thank you, Herb, for your guidance, your wisdom, and your friendship. I will always be grateful. Rest easy, my old friend.

We are feeling the loss of dear Herbert and wish to offer our support, condolences and love to my sister Helga and all of her extended family. We have fond and cherished memories of our times together with dear Herbert. We always felt his energy and love for us as family. Distance made our visits infrequent, but the love and kindness prevailed through the years. We will miss him and carry his memory and loving influence forward in our everyday lives.
