Rest in Peace my dear friend Dwain. I will miss you a lot. I have known you for 16 years and I still cannot believe you have left this world. Just found out the news today. I remember the last time I saw you because we were laughing so much we both almost fell off our seats at the bar!

I have known Dwain since 1999 and he was always a gentleman and a wonderful friend to me. I spent good times with him including a trip to Hawai. I was very sad to hear of his departure. I last spoke to him in July 2012 and we were meeting for lunch. However, he was very busy in his job and unfortunately we did not meet. I only hope we had met even for a few minutes. I was planning a trip to Sri-Lanka in December, 2012 and invited him to join me. This conversation took place in August, 2012. Since I had not heard from him I phoned his sister in January, 2013 and she informed me that he had passed away in September 2012. He was a valued, sincere friend and I miss him terribly. May his sould rest in peace, that's all I can pray for him at the present time.
