Messages of Condolence

To Vivian, Stephen, Rose and Family

I am so sorry to hear of Harry's passing. I just saw the notice. I did not hear of any arrangements from the K of C. I know the pain of loss and I am sad I did not know so I could attend the mass.

My prayers are with you.

— Pauline

I wasn't aware that Harry was gone, and am saddened to hear it. Harry and I met in the KOCR band and became good friends and fellow musicians; he was a kind, gentle man and an extremely fine musician. We played many a gig, and enjoyed great conversation and camaraderie over a few libations.

Harry and sons also did more than one roof for me, and he was equally and justifiably proud of his work there as well.

My condolences to Vivienne and family for your great loss.

— Stephen T Anderson
