My deepest sympathies to your family. I remember your Mom as a very nice lady, she was a brownie leader and helped me earn my badges. Anytime I seen her she was the sweetest person. Also my Mom held her in high regards they worked together at the hospital.

Joan, Ann, Marg and Barb, my family sends out our deepest sympathies to your families! I have so many fond memories of living on the same street as your parents and your family. I loved going to your home and playing. You had the best playroom and a beautiful playhouse. It was always fun to get a ride in your Dad's MG every spring! I remember your Mom as being quiet and gracious and she listened intently to anything we would tell her. I have also always wanted to be able to knit like her! You had a very special Mom and I know that you will hold her very close in your hearts. Our thoughts and prayers are with you at this time!

Joan, Ann, Marg, and Barb: My deepest sympathies to you and your families.
I remember your Mom coming in the back door of the Clinic to see how our day was going and when she would have to have supper ready.
One cold winter day she came in and gave me a pair of mittens she had made, I still have and wear them and think of her often.
You are in my thoughts and prayers.
