

Daniel Robert Holiove

APRIL 7, 2023

Please leave words of love and support for the family.

Messages of Condolence

My dad was a faithful servant of God. He was outgoing, generous, loving, and loved people. He loved his family and went above and beyond in everything he set his mind to. We will miss him very much and will be remembered by many who knew him. Rest in peace, dad. Until we reunite on that sweet morning.... XO your daughter, Karla

I didn't know Daniel but I heard about his love for his family. And I know how much his grandson Ethan loved and admired him. I'm so sorry for your loss Karla! But we will rise with the saints one day and be reunited with our loved ones Hallelujah. Sleep well Daniel.

Dan had the warmest biggest smile that would light up a room! He was a very hospitable fella with good sense of humour. He made the best grill cheese sandwiches! My heartfelt sympathy to his kids, family and friends. Until we meet again Dan.....

There will never be another Uncle Danny. He was funny, always had an opinion and loved Chinese food! He will be forever missed.

We wish you and your family much strength and peace from God, Karla!

I remember Dan being hospitable with a welcoming big smile. And a talkative friendly man. He will be missed deeply by family and friends but the happy thought is seeing him one day in heaven as he was a devoted Christian man. Love from.....Aunt Cathy
God Bless Karla and Ethan
