Coral Ada Holland

MAY 25, 2016

HOLLAND, Coral Ada
June 8, 1935 – May 25, 2016

Coral Ada Holland passed away on Wednesday, May 25, 2016 at the age of 80 years. Coral is lovingly remembered by her legacy – children, grandchildren and great grandchildren. Coral was predeceased by her husband, Scott Holland. A Private Family Service will be held at a later date.

Messages of Condolence

Shirley, my sister and I were sad to hear of cousin Coral's passing. We were planning a trip to see her very soon and are sad we delayed too long. We take for granted our extended family from time to time and then regret not seeing and talking with them. We shall miss Coral and will continue to think of her and reminisce about all our younger days. I just visited the site of her Grandmother Ada's residence in England last September when Ada was about 15 years and thought of Coral then.

For any of the family that may not know, I, Gail am a cousin to Coral. Henry & I are so sorry to hear of her passing. I have many happy memories of Coral as I grew up as I spent a lot of time at Auntie Bessie's (your grandmother).
I know how hard it is now but you will all have many great memories of her.
Melody, I would appreciate your address and phone # so that I have a contact to stay in touch with the family,. Just send to my email address. Thank you. Gail

— Henry & Gail Savard

My thoughts are with all of you. It's always difficult when you lose someone close...
