Dear Gladys and Family

Wow....what a shocking blow. We are so very sad for your family. It's hard to find words of comfort to offer, but we do have your family in our thoughts, and we pray for Heavenly Father to put his loving arms around you at this time. Only about a week or so ago, I (Sheila) ran into Bob at Walmart and we had a real good chat. Then about ten minutes later we (me and Bob) ran into Don, so there we stood for another great chat. Thankful for that last opportunity to visit. Take Care

Dear Auntie Gladys, We are all so sorry and saddened by the loss of Uncle Don. He was the greatest Uncle to have and I will miss him very much. Please know that my heart is with you and the rest of the family at this time. We will never forget his hilarious sense of humor and I will only treasure Dad's crazy stories of him and Uncle and their Vegas ventures even more now. Love you...Stay well

Was sorry to hear of your Dad's passing. It's never easy to lose someone you love but I hope in time you will be able to focus on the happy memories instead of the loss.
