## Messages of Condolence

I met Agnes after my husband moved into Clifton Manor in 2014. Agnes was one of the first residents on hubby's unit I tried to connect with and she became dear to me. My sincere condolences to Agnes's family and to everyone who knew and loved her.

When I was a very young teacher at my first school near Telfordville, Alberta, I attended the nearby Lutheran church where the Albrecht family also attended. They invited me into their home, and Agnes and her sister(s) became my friends. Many years later I met Agnes again in Olds, Alberta.

So sorry to find out about the passing of Agnes. My sincere condolences to all the family. I have been trying to re-engage contact with Agnes for the last two or three. I am Roger Neal Holmes, surviving son of David Holmes ( Gilbert`s brother) and his wife Dorrie. I would love to hear news of the Family if anyone would like to contact me
