I have many memories of Gunter during our school years, and after high school, as many friends do - we drift apart as we all pursue our dreams. Gunter actually stopped me on the streets of downtown Calgary - was really impressed that he recognized me after all these years. Gunter's passing was obviously a shock, and my thoughts are with Gunter's wife and children, parents and sisters.

I knew Gunter back in high school when he lived in Lethbridge. I remember cruising around with him in his parent's VW Rabbit. Many other good memories from that time period. I wish to send my condolences to the family.
