Dear Linda & Kent.

My heart goes out to you in the loss of your sister. Don't think I ever saw her without that big smile on her face.

I saw Joan's picture and name in the paper. I am sure that I used to play with her and Linda when I came to visit my Grandma Seal on 1352 King St. My maiden name was Ashton. My sincere sympathy to the family. I do hope she is the one who lived on King St. so many years ago, and if not I apologize for emailing.

— **Gail Strand**
