

Howard Stilborn

FEBRUARY 17, 2026

Howard Stilborn, aged 71, passed away on February 17, 2026 in Regina. Born on September 19, 1954 in Moosomin, he was the son of Herbert Guy and Dorothy Stilborn. Howard was a devoted husband to Joanne Stilborn, a loving stepfather and Opa.

Howard will be remembered for his kindness, patience, strength and generosity. He cherished the motorbike trips he shared with the love of his life, Joanne. A skilled plumber, gasfitter and true jack of all trades. He was respected for his dedication to his trade and unwavering honesty.

He is survived by his loving wife, Joanne Stilborn; his stepchildren and grandchildren, Steffen (Justyna-Elayna, Thomas and Kyra), Kristine (Matthew) and Jessica (Steven-Adrian and Emilie). He is also survived by his siblings, Rita (Karl), Helen (Lloyd), Stuart (Debbie), Ross (Dianne) and David (Angie). As well as many nieces and nephews.

His family is planning a private celebration of life.

Messages of Condolence

Howard was a blessing to us in simple ways that made our lives much easier. For example:- making sure a taller toilet replaced a very low one before hip surgery- patiently explaining the airflow from one room to another and how the thermostat worked Howard was very responsive to the needs of people living at College Gardens. We want you to know he was greatly appreciated. Many thanks.

— Knox Family

I was shocked and saddened when I heard of Howard's passing. I had the pleasure of having Howard work on several plumbing jobs for me in my condo. I would like to send my thoughts and prayers to all of Howard's family. Just know he will be sadly missed. □□□□

Howard will certainly be missed by many people. Over the years, he did a lot of work for me at Marian Gardens; and also for many others in our buildings.

— Kathy Bradford

I have had the pleasure of dealing with Howard in connection with the operation of the HVAC systems at our Waterford Condominium building over the last 13 years. Howard was a true pro. He knew our building from its construction in 1992, and has been our expert ever since. He maintained our systems, enhanced them, while patiently advising us on all matters. In addition to his technical expertise Howard had the best of personalities, calm, reliable, competent and easy going, to everyone under all circumstances. He is irreplaceable and will be sorely missed by all at Waterford. Our condolences to his family from everyone at Waterford.

— Bruce Hanson

Howard. How fortunate to have known, to have come in contact with, Howard. He set a high standard with his positive character, humility, expertise, work ethic. No matter under the circumstances that he worked or how busy he was, he remained patient and the consummate perfectionist, a master in the quality of anything he touched. My condolences to Howard's wife and family. Howard passed too soon. He is missed. Ann Klein, College Court resident.

— Ann Klein

Our family sends it sincerest condolences on Howard's passing. Words cannot express our sympathies to your family. We met Howard over 20 years ago through a family friend and he became a friend to us also. God Speed Howard.

— Doug and Sue Chamberlain

We were shocked and saddened to hear of the sudden passing of Howard. He was always a calm soul and pleasant to be around. Please accept our condolences for your loss.
