In later years, he settled in Airdrie, AB enjoying a lot of family life - especially camping & bar- b- ques and always sharing his wonderful sense of humor. ## Messages of Condolence

Always enjoyed seeing Gary, good man with a good heart, would give you the shirt off his back and drop what he was doing to help you, it's too bad there aren't more people like him in this world....he always took the time to ask my mother how I was doing and check on me. It's too bad he lost his battle..... Penny and I will both miss you

See you in heaven Gary
