During my growing up years, I knew Bonnie, since our parents were close friends. We took piano lessons from the same teacher, and also attended a week long Sunday School Church Camp together. I always felt Bonnie was the most angelic person I knew. She was the personification of Gentleness and Kindness. During the past twenty- five years or so, I lost touch with Bonnie; I suppose we were both busy moms with families growing up and leaving home. I am very sad to hear that Bonnie's life was affected by Alzheimer's Disease. At the same time, I am grateful to know that her faith remained strong and that she is most definitely now in the presence of the Lord. I trust Harry that you, your family, and Bonnie's siblings will be comforted by memories of what an extraordinary person Bonnie was during her time on earth.

— **Leona Porth**

Harry, we grieve with you in the loss of Bonnie. You have been so faithful to her care over the years, and your faithfulness and support of her is a real testament to the love you shared with her. She is with Jesus. He has made her whole again, and Bonnie is in His Presence. We rejoice in that with you.

We wish we could be with you all today as you celebrate Bonnie's life. Her sweet smile, gentle ways and vibrant personality will be remembered even though these last years have been very difficult as she has struggled with health issues. Harry, you have been an incredible example of a loving husband who was at Bonnie's side with love and compassion through it all. She is now completely whole and rejoicing in the presence of Jesus, and more alive now than she ever was. Praying for your family as you celebrate her life today.

Harry: my spouse, Val, and I extend our heartfelt condolences to you and your family at Bonnie's passing. By way of a reminder, we were in the RCAirC and CIL organizations in the late 60's, early 70's; you in Regina and me in Saskatoon. I believe Dwayne Rauw brought me over to your house during a visit I made to Regina and it is very possible I met Bonnie at that time. You are in our thoughts and prayers. God Bless.

I knew Bonnie while she and I worked for Terry Martens at Total Care. Bonnie always decorated Terry's house for Christmas and she did a beautiful job. She was a sweet and kind follower of Jesus. Terry went to be with the Lord in 2019 and now Bonnie has followed her. So sorry for your loss, Harry and family. God bless and keep you all
