Pat is the love of my life, most incredible father, and if he loved you, you knew it!

Pat seized EVERY opportunity to tell his family and friends he loved them. All he wanted was to see everybody living their best life.

“Carpe diem, seize the day, make your lives extraordinary”

I have been blessed to love this man for many years. Many phases of my life. From my teen years to adult. To having my own children who again were blessed by his love and mentorship through teen years as well. He has touched many people in his life. His bigger then life attitude and love for every moment. He has been one of the best role models of what a husband and father should be. His hugs and show of love was never ending. He will be very missed. We are all blessed to have known him. All my love from my family to yours. Xo
