I am so very sorry to hear the passing of Uncle Jim. My thoughts go out to all of you Hunts during this time of grief. I have so many amazing memories of the time we spent together, from playing with the craw fish, to him trapping me on the floor and pretending to drop his teeth on me, to watching him eat corn on the cob every September long camping trip! He always had a open door, open arms and could make anyone laugh! Uncle I will miss you so very much, till we meet again. XO

He was well loved by us and we loved when he brought in his BBQ sauce and Lily's banana bread. He always made sure to bring a second chocolate pudding with him for Stephanie as she always wanted his lol. He was a great man and will be an awesome angel :)
