Messages of Condolence

Michelle, you were the kindest soul. We had a good friendship in our elementary days. I can hear the computer dial up sound, when we would go to your place either at lunch time or after school to search the Backstreet Boys and Making macaroni. Also remember singing. You loved to sing.
I only have great memories of you, and sad to hear of your passing. Rest easy Michelle. Until next time ♡
Condolences to the Huntley Family.

Michelle, I know us cousins haven’t all kept in the greatest touch over the years, but I am so glad that I got to see you in Naramata a couple of summers ago. As Stephanie has already mentioned, the family bbqs and birthdays will always be remembered with fondness. Along with family poker nights at your parents’. Those truly were special times, and I hold them even dearer in my heart today. You will be deeply missed. My thoughts are with you and your family, and always will be
