Dear Janet and Kevin,

My heart goes out to you. I wish I was there to give you both a big hzq43hvug. I had the pleasure to have Kristin as a student and as a participant in some of the trips we made at the time. I still see her as a beautiful young girl, so smart and very kind. Great memories...

Je vous envoie tout mon amour et toutes mes sympathies,

Francine Maurice

Kristin spread compassion and love wherever she went. She truly left the world a better place than she found it.

I dreamt about Kristin last night. We went to OT school together. I'm not on social media, so I googled her name. Her picture popped up and she is just as pretty as she was in school.

But it was an obituary, and my heart fell.

I remember her as so smart (I always wanted to be in her group), witty and driven. She was very well liked by everyone and had a great smile.

I'm so sorry for your loss.
