Messages of Condolence

Our deepest sympathy for your loss. Charlie will always be remembered for his smile. We are sorry we lost touch with your family over the last few years. We always enjoyed Charlie's visits when he stopped to see us at our home in Black Diamond.

The rest of our family, Don & Kaye Currie, Norma & Ron Seeger, Bernice Ertmoed, and the Porter family send their sympathies.

— Glenis & Allen Currie

I remember Charlie very well.He used to take me duck hunting when I was a young teenager.I still have a German officer's decorative knife that he had liberated at the end of World War II. Charlie's sister, Alberta, was a wonderful aunt to my sister Wendie and myself. She was also a dear and enduring friend to my mother Evelyn.

I well remember hanging out with Vicky and Pauline at the family home in Crescent Heights. It's nice to see so many of the family are still around
