

Arthur Nicky "Nick" Itcush

JUNE 29, 2018

It is with heavy hearts that the family of Nick Itcush announces that he lost his long and courageous battle with cancer. He was predeceased by his parents Ilie and Mary (Ardelain) Itcush; brothers Terry, John, Leo and sister Dorothy Shenner. He is survived by his daughter Sherry (Ed) Itcush-Wray; grandchildren Lane and Jessica Wray; brothers Bill (Bev) and Don (Darlene); sister Sharon Itcush; special friend Debbie Cable; as well as numerous nieces and nephews. He will always be remembered for his boisterous laugh and his positive "live for today" attitude. He was very artistic and created some beautiful works of art. At Nick's request there will be no service.

Our deepest condolences to Nick's family & friends. We Lost contact with him for many years but always remember the fun & good times we had during our school years in Assiniboia & living in Regina. So glad he is free of pain & hope he is enjoying the time with his parents & siblings. RIP friend!

So sorry to hear about Nick's passing. I have not seen him since 1968 when we attended high school in Assiniboia. He was a very respectful and nice guy.
