

Corey Jacquemart Charles

APRIL 7, 2021

On April 7, 2021 we lost a son, brother, nephew, cousin and uncle and most importantly the best father a child can have and also a genuine wonderful man. Our hearts are broken.

Corey was predeceased by his grandparents Andre, Adella and Leo and Elsie; as well as his uncles Bernard, Wayne and Leonard.

He is survived by his two beautiful sons Ashton and Kingston; his father David (Judy); mother Karen (Gary); his sister Brittney; nephew Leon; aunt Koreen (uncle Derrick), aunt Viv, aunt Evette (uncle Don), aunt Jeanette (uncle Steve), and aunt Jean; and many cousins and family members; as well as separated but remained good friends Paula and best friends Nick, Whitley, and several other friends.

Corey was born in 1988 to David and Karen. He was the best baby a parent could have. He was such a character. By the time he was two he could kick your butt in Nintendo. Mom had to limit the amount of time he was allowed on it. He did not take that well.

Corey enjoyed sports and played hockey, ball and really wanted to play football but a month before he was to start he dislocated his shoulder and was never able to play. Corey also loved to play guitar and was getting really good at it.

Corey was a very hard worker and started his first job when he was 14 because he wanted a really nice pair of expensive shoes that his mother refused to buy. After

not even a year they fell apart and he agreed it was not worth the money.

Corey met Paula in high school and in 2007 they had a beautiful bouncing boy and called him Ashton.

Corey worked various jobs throughout the years and then decided to attend school for plumbing. He worked different places required for his journeyman plumbing and then acquired it. He was well liked and a very hard worker.

Corey met Charity and they were blessed with a baby boy named Kingston in 2017. Corey adored his two boys and his nephew Leon. He would do anything for them and was very family orientated. If he knew a relative was in the area that he may be near he would reach out to them for a visit. He fought so hard for better visitation with his youngest son.

On March 29, 2021 Corey was tested positive for Covid-19. On April 7, 2021 Corey lost his battle from high blood pressure and stress and Covid-19 won the battle.

We will never forget you my beautiful son and you will be forever in our hearts. A parent's love never dwindles. It will always grow with memories and love.

Peace Perfect Peace.

A Celebration of Life will be held at a later date.

Dear Karen and Dave and family:

My heartfelt sympathy for you all in these most difficult times. Corey's kind nature was a testimony to all the love that he had from his family. I have fond memories of him and Karen from years ago -- funny things he said and did that would have Karen's face lit up with a smile and a laugh often ending up with the statement "Oh Corey".

Hugs to you all!!

Dave and family, Nick and Whitley:

We are so sorry for the loss of Corey, he was a wonderful man and a great friend. We have known Corey since he was a young boy, and saw him as one of "our kids".

Corey loved his boys so much, and always spoke about how proud he was of them.

Corey would look after our dogs when we travelled, and I often felt they loved him more than us. Corey spent many family dinners with us, and we loved filling him up with goodies to take home.

We are so proud of the man that Corey became, he will be missed. Gone way too soon.....

— Linda and Len

No words can ever express how deep this ache is for your loss. Corey ended up having 4 loving parents and did his best to love and nurture each relationship. There is so much love in your family and you've always made me a part of it. Things will change but we will always have our memories.

— Paula

Karen, Gary and Family,

There are no words to express our sadness for you and the family. We had the privilege to watch Corey grow up with our boys but also grow to be a wonderful son and father. Our most heartfelt prayers and sympathies. May God watch over Corey and you find comfort in all the wonderful memories. We love you.

— Mike and Wendy Ripplinger

We want to offer our sincere condolences. We are deeply saddened by Corey's passing as we have known him since our son Nick was in elementary school and part of his tightnit group of friends, they grew up together. Corey spent many nights on Ron's couch. He was a good man and a great father. We will be at a loss knowing he is no longer with us. We are so sad for his family and the many friends he has. His children will miss him the most, I'm sure we have all lost a friend in Corey.

I offer my sincerest condolences.. Corey used to walk me to school and home almost every day when I went to Wascana.. He taught me how to play zelda and would visit after school or during lunch.. Later on found out we had cottages at Glen Harbour and even were feet apart from each other.. One of the most generous and genuine people I had the pleasure of meeting.

The flow of time is always cruel... its speed seems different for each person, but no one can change it... A thing that does not change with time is a memory of younger days...

It is something that grows over time... a true friendship. A feeling in the heart that becomes even stronger through time... The passion of friendship will soon blossom into a righteous power and through it, you'll know which way to go...

Time passes, people move...Like a river's flow, it never ends. A childish mind will turn to noble ambition... Young love will become deep affection... The clear water's surface reflects growth...

Karen Brittany and family, although it has been a bit since I last saw Corey, he added me on Facebook and we were able to see each other's busy lives. I will always remember how he and my son DJ and all the other east view boys hung out and got to know each other throughout their long ago adolescence... I am very sad he passed away so young and from this worldly pandemic... I just want you to know I am thinking of you both and his boys and I am praying for your strength and wellness...hugs

I am so sorry for the loss of such a wonderful man, my heart aches for him, his family, and for his boys. I can't believe this happened. Life can be so cruel and unfair. I hope the boys can grow up knowing what a wonderful man with a huge heart he was, and I believe he'll still be watching over everyone he's met and loves.

Corey was part of or FC (guild) in Final Fantasy 14 with his son Ash. His ingame name was Beez Da"Fuzz.

We talked to him almost everyday with his son Ash for years. (Ash is still in the FC). Spoke with Corey in voice chat also all the time.

All he spoke about was how he loved his sons. A truly great person, a great friend and a great warrior.

Your friend and ally , The Universe

Rest in peace, Warrior Of Light

— **The Universe**

My deepest condolences to Beez's family.

Like my friend Universe, we had met in the guild through the MMO Final Fantasy 14 when I was brand new and made me feel instantly welcome. Always ready to run me and many others through the content he already did, just to help his guildmates out. My thoughts go out to his family both online and offline.

Rest well, Warrior of Light.
