Dear Dennis, Deni, Drew and family,

This note of condolence is difficult to write, and so much more difficult to receive. But still, I want to let you know that I am holding you in my thoughts. I have so many fond memories of Pam, and I am so grateful to have known her. She was a light, and the world was made brighter for it.

May you find some comfort in your own very special memories of her.

Don't even know where to start to express my sorrow and sadness at the loss of your wonderful wife, mom, sister, daughter and aunt - Pam. Knowing Pam through belonging to two choirs with her gave me such an amazing education and insight of what true courage, unconditional love, holding your head high no matter what, and "not sweating the small stuff" is all about. At choir she would talk about her family a lot and always with a love and devotion that went beyond "just being a mom and wife". Aren't we all so fortunate to have had her in our lives? She will NEVER be forgotten... Thinking and praying for all of you.

Margaret & Walter Stockton & Family

In the rising of the sun and in its going down,

We remember them.

In the blowing of the wind and in the chill of winter

We remember them.

In the opening of the buds and in the rebirth of spring

We remember them.

In the blueness of the sky and in the warmth of summer,

We remember them.

In the rustling of the leaves and in the beauty of autumn,

We remember them.

In the beginning of the year and when it ends,

We remember them.

When we are weary and in need of strength,

We remember them.

When we are lost and sick at heart,

We remember them.

When we have joys we yearn to share,

We remember them.

So long as we live, they too shall live,  
For they are now a part of us,  
As we remember them.

Dennis, Deni, Drew and the extended James clan: I can't adequately express in a few words how much Pam meant to me over the past 10 years, and so can barely imagine your own sorrow over her loss. So many of us are grieving right along with you and supporting you all with our love and energy. While she is very sorely missed, I am so unbelievably grateful to have had her on this part of the journey with me. I will cherish the many laughs (often inappropriate ones), the shared tears, the triumphs and the set backs, the sorrows and the joys of all of the individual moments that make up a life. Pam's was so well lived. She has set the bar very high for us all to live our very best ones ourselves. Much love.

Hi Dennis,

I was so sad to read of Pam's death. I was out of the country and missed her Celebration of Life. Pam was a great friend at the Red Cross and a breath of fresh air every day I worked with her. Please accept my sympathy to you and yours and to Pam's family.
