

Janet Anne Mould

MARCH 23, 2025

It is with profound sadness that the family of Janet Anne Mould announces her passing on Sunday, March 23, 2025, in Regina, Saskatchewan, surrounded by their love. She was 80 years old.

Janet was predeceased by her loving husband Colin in 2010, her eldest son Mark in 2015, and her sister Susan in 2018. Left to cherish her memory, her daughter, Stephanie (Dave), son Simon, her beloved grandchildren Hannah and Cooper, sister Pat, brother Brian (Pat), niece Samantha, friend Jacqui, as well as other friends and family members in Canada and England.

Janet was born in England on July 1, 1944 and immigrated to Canada with her husband Colin and 3 children in 1976. She was a strong, independent woman and was not afraid to say what was on her mind. Janet loved to knit, read, take care of her flowers, spend time with animals, and enjoyed visiting with a good cup of tea. She was kind, generous, and loved to spoil and spend time with her grandchildren. Janet was greatly loved and will be deeply missed.

In honour of her wishes, no funeral or memorial service will be held.

Messages of Condolence

Hi Stephanie I am truly sorry that Janet has passed. I spent a lot of my childhood with her in England as she was my favourite Aunt! So glad we got time to spend with her on her visits to England to be with mum. We had great fun all together. Sending much love Louise xx

Goodbye my dear friend. I will miss you, when I sit with a cup of tea and contemplate the state of the world. Your resolve to not let life's trials overwhelm you has always inspired me. I will miss you, as I watch our grandchildren grow into the kind and dedicated adults you helped them to be. Your love for them was never in doubt and they will remember you for that love. I will miss your condor and your strong sense of right and wrong. A person knew where they stood with you, a quality not many possess. I will miss you, when I see the sadness of your loss in your loving daughter's eyes, because you have shared with me your love and pride in her. We will all miss you: David, Simon, your niece and her family and all your family in England. And, we will never, never forget you.

Sorry to hear of Janet's passing. I had the honour of working with Janet for many years at RBC
