Messages of Condolence

My condolences to the Jarocki/Racette families.

Treena was an inspiration to many, all I can say is Facebook will never be the same, her daily humour, RIDER PRIDER, Morning greeting, her calls out for a Steeped Tea. Treena had a way with humor that made the grumpiest person smile, to be totally honest, she was my go to person for humor to brighten my day many a day, She always had a kind word to say and a positive outlook to share. A lot of people could learn from her and how a person should face life's challenges! In the recent months, she is/was my inspiration when it came to my weight challenges, she always encouraged and reassured no matter how daunting the issue in front of us seemed. The SBSG support group is crushed by her passing, shock, can not describe the loss we feel, I offer deep sympathies for her entire family, but especially her husband Steve, her children, and extra especially her grand baby, Bryli, which she was so so proud of.

Please remember, tears cleanse our hearts and souls, its alright to shed them, its ok ~ hold on to those AWESOME memories you shared with Treena,

I will miss her terribly.

God Bless all of you and keep faith, live life to the fullest, and have no regrets!

— **Marian Malowany-Schamber**

My deepest sympathies to you Steve, Taylor, Bree and Bryli, as well as the rest of the entire family and friends. Treena was truly one of a kind and touched so many lives. Her positivity was infectious and her spirit contagious. We'll all miss her humor and her laughter. I did not know the family well, but family was everything to her. She talked about you all with such compassion and love. May you all find some comfort in the wonderful memories you shared. We bonded instantly at the start of our weight loss journey in July 2013 and she will forever hold a special place in my heart.

— **Tammy Leland**

Till we meet again!

Please accept our sincere condolences on Trixie's passing. I, like many others am crushed. I can't even find the right words to describe how I feel. She was so beautiful inside and out. And what a role model for all women. This is such a great loss. May you find comfort in your great memories, and pride in knowing what an impact she made and a truly inspiring person she was. God Bless.

I only had the privilege of working with Treena for one year at Sheldon-Williams Collegiate. She was SO proud of her family and obviously loved you unconditionally. It was always fun to wander into the office and see what she added to the Rider or seasonal decorations. Her loving spirit and rabid Rider Pride will be missed. Take care of each other, she is watching over all of you!

I can honestly say, I seen you treat everyone with the utmost respect; you truly knew how to grab hold of everyone's hearts. I will miss your invites to your many home gatherings especially the times you made me feel like one of your besties. Your legacy to the world is sharing the love you have in your heart. You were an amazing person, I idolized you. Funny, talented, humor, confidence in everything and everyone. You touched so many hearts. I loved everyone but, i loved how you did it for the laughs. Your babies my cousins Beer and Taylor, have that same glow. Going to miss your random. Photo bombing, Facebook hacking. And the stories uncle Steve had about what crazy thing you did. Your were hard working, and very loving. You supported everyone to reach their goals we all always had you cheering the loudest. The world stopped when you took that last breath. I am comforted knowing you died blessed by being happy, around family, and loved not in a hospital or worse. I will always have the times we had when I was in hospital, and our Riders game day argument on my wedding day. You made the world smile. I am proud to know I had someone like you in my life. I love and miss you.

Steve, Please accept my Deepest Condolences on the loss of your Beautiful Wife and Mother to your Children. I can imagine how surreal this tragic news must feel. Treena was an unforgettably amazing woman who loved everyone unselfishly and unconditionally. She was one of the few people I know who lived every day to the fullest! She made the World a Better Place!

— **Sparkly Girl (Shanon)**

My sincerest condolences to Grace, Steve, Bree, Taylor and Bryli and everyone else who cherished the presence of Treena, aka: "Trixie" or "Treen Star"! I was honoured to work with her in a couple different places: at SUNTEP at the U. of R. and the Regina Public School Bd. office where she brought much laughter and levity. Her spirit and personality will live on forever in her children and grandbaby. The physical world is suffering a great loss but we can be assured there are many happy stories to remember when sadness overtakes us. Halloween will never be the same. Facebook posts will never be the same. Rest well my friend.

— **Wilfred Burton**

To all of Treena's family, may the constant love of caring family and friends soften your sadness, may cherished memories bring you comfort and may lasting peace surround your grieving hearts.
