Your mom was a dear lady who gave so much to others all the time. I got to know Nancy better in the last few years when I started playing bridge with the ladies that she played with. Of course I always knew her from the church as well. After Nancy had passed away the first bridge night was at my house and we had a few moments of silence in her memory . We reminisced about how she always had such good cards, especially the aces! That night she was sitting on my shoulder as the first hand was dealt, I had 26 points and made a small slam with my partner.

Thanks Nancy!

I know you will have many beautiful memories of your mom as she was a beautiful lady. Daphne
