Sending heart felt condolences to the lovely daughters Micheline Leanne and Laryiss and sweet grandchildren Ryan and Colin of Elaine Melanie Maria Rose Jerome of Calgary who passed March 2 2018. Elaine was proud and grateful for her daughters and loved them and her grandchildren to the moon and back. Elaine gave long and meritorious service to Rocky View school system as a system psychologist. Elaine where she was held in high esteem as a for her support and leadership in Special Education. Elaine made a difference to learning standards. Elaine's work in her private practice was a joy for her and her experience and skills no doubt served her clients well. Those interning psychologists whom she mentored were richly gifted.

Elaine's love the performing arts entertainment scene was a treasure to her. Likewise was the special group of close friends who attended events with her a treasure right to the end. Her vibrant presence will be missed for certain. What will CPO do without Elaine in her seat?

Elaine's larger than life on stage presence and her membership of Confederation Park Musical Theatre Group ( the Perfectly Imperfects) will also sorely miss her contributions and lively performing. No one can sing Mac the Knife like she did.

Elaine had a gift of forming community amongst her family friends neighbours and acquaintances. She spoke of her hope that our connection sustains.

The Song May have ended but the Melody goes on!

We miss you Elaine. For the last 21 years we were neighbours and then developed a respectful, caring relationship. Elaine will be remembered in so many ways. She was loyal and generous to her family and friends, always making time for conversations and being a thoughtful “listener “. Elaine was passionate about her professional life, providing excellent counseling for students and clients. Our family will always appreciate her work with one of our family members. Elaine was such fun to be with; gatherings were entertaining and vibrant. Many conversations became heated debates on all issues such as politics, sex, religion and life in general. Nothing was ever off limits. We will always have Elaine in our hearts; missing her vibrant personality, fashion flair and the “character shoes”.

I am an old ( both physically and experienced) teacher that had the great pleasure to work with Elaine. She made my professional life that much better with her positive support, humour, fab style choices, kickass shoes, and dam fine testing and recommendations. We lived a block away from her house on Pasqua and would share the occasional ride out of town to the school where I worked. Intuitive and a straight shooter. She made me laugh. I am so very sorry. Know that she was highly respected both professionally and personally.

I am sorry for your loss. I was remembering Elaine today on my 23rd wedding anniversary. She was always there for me and came to my wedding in Salem Oregon. I remember Elaine always for our laughs, her spirit, and always a word of advice. She was so important as a mentor when I was a new SLP. I will always cherish my time with her. Connie Amos
