Do not stand

By my grave, and weep

I am not there,

I do not sleep-

I am the thousand winds that blow.

I am the diamond glints in snow,

I am the sunlight on ripened grain,

I am the gentle, autumn rain.

As you awake with morning's hush,

I am the swift, up flinging rush.

Of quite birds in circling flight

I am the transcending night,

Do not stand

By my grave and cry-

I am not there.

I did not die.

Messages of Condolence
