Messages of Condolence

I would like to extend my deepest heartfelt sympathies to all of Dorthys Family & Friends, she will be missed by all. I will surely miss seeing her in her chair at bingo on Thursday nights at the Seniors Hall. She gave me the chance to become the second caller there and I was glad to take over when she decided to retire from calling.

Again my deepest sympathies to the family.

Sincerely her friend Bev

We were very sorry to hear of the passing of Dorothy. Her daughter, Pat and son-in-law Ted were very good friends of us in earlier years. We were in 4-H and School together and had many good times. Dorothy was kind and gentle and may God give you strength in your time of sorrow.

Love, Jim and Bonnie Dick
