So sorry to hear of Dennis's passing. Although I didn't "really" get to know him on a personal level, I always enjoyed talking with him when we worked at Fisher Park. I met Dennis in 1968 at Willow Park Elementary and we were very tight all through school and long after. I regret losing touch, as I think of him often. It was just last March when I was cat skiing at SnowRidge and thought of Dennis and the Jonasson family on every run. I am so sorry for the loss of a son, brother, husband, and father.

So sad to hear of Dennis's passing. I have known Dennis since Grade 7 where we attended RT Alderman together. Always had a great time with him and have a lot great memories from those days. In reading his Obituary, I remember he shared a birth date with my late Sister Wendy and I remember them partying together on that special day many times. So sorry for your loss, he was far too young, he will be missed by many.
