My thoughts and prayers are with Ken's family and friends at this time. Ken was a big part of my life. We met in high school and became very close. although we haven't kept in constant touch over the years, we did see each other from time to time and it was always like we had just seen each other. The bond of our friendship has not been broken but just stretched a little longer. I have so many memories that I will cherish forever. I love you. I miss you.
