Messages of Condolence

My deepest condolences to the Kapeller family as I just called for him today and was shocked to hear of his passing. I unfortunately lost touch with Sheldon 3 years ago however, I used to work for him on various projects in Fort McMurray and Calgary. He treated me with the highest level of respect as I was his safety specialist and became dear friends.
"We were supposed to play a game of golf. Hope you're enjoying your golf games up there in Heaven, Sheldon "
