Messages of Condolence

Grief never ends but it changes
its a passage not a place to stay
grief is not a sign of weakness
nor a lack of faith
it is the price of love
so sorry for the loss of your mother I know you all loved her very much

I am sorry to read about the loss of your dear mother and grandmother. She was a sweet, gentle lady with a good sense of humour. May you feel comfort and love from God in the days and weeks to come. Betty

I wasn't feeling well the day of the memorial or I would have loved to have been there.

Ann was always enjoyable to visit with when she lived at Central Heights Manor. She was spunky and will be missed. We often sat at the same table when meals were served in the building.
