Messages of Condolence

Ella, Norm and family:

I am sorry to have just heard about Bills passing. We haven't seen eachother for quite a while, but whenever I think about "Billy", it always gives me a smile. HE was a wonderful man and I've always treasured the time we worked together at the county those many years ago, we had lots of laughs and his signature wave he always gave when we were on the haul routes - He'd twist his hand like opening a door knob.

Our thoughts are with you guys.

Sincerely

Glenn and Carla Morasch
