I knew Grant from my many years working at Safeway. In recent years I would run into him at Sobeyes when he was stocking the bread there. We would always chat and have a few laughs. I was shocked and saddened to hear of his passing. You will be missed my friend.

Deepest Sympathy to Evelyn and Tim. We always enjoyed our conversations with Grant on our chance meetings with him at the grocery store. He was upbeat and usually had a joke to share.

I am so sorry to hear of Grant's passing. I have had many serious conversations, most just to vent. We have had even more conversations to lighten the day. Always had a joke to keep the day a little happier. He is missed. Condolences to his family and friends.
