Yvonne was my aunt...my dad was her older brother Wayne. Most of my memories of her are when I was younger because we didn't get to see each other very often but she would call Mom now and then to fill her in on family news. I do remember her being outspoken and tough as nails and also a softy at heart. Truly one of a kind. She was the last of our parent's family and has left us to be reunited with them all. Rest in Peace Aunt Yvonne...you will be missed xoxo
