Messages of Condolence

Hello Hazel,

You probably do not remember me. I stayed at your home on the Cold Lake Base for a few days away back in the 1950's and even used your car to take Donna Kerbes to the drive in theater.

I worked on the base as a Techrep for three years. Ken visited us when we were living in Terra Cotta, Ontario many years ago.

I am so sorry to hear about Ken's death. I remember him as a very fine gentleman who was very happy with his life in the Air Force. I also remember him for his generosity and kindness.

Although it has been many years since I have seen him, I will always remember him.

Kindest regards
David Olive
