I knew your Mom from when your Dad and my hubby played Old Timer's hockey together, years ago. Carol was such a positive, happy lady who always had a big smile and lit up the room. She was a super hard worker and definitely a Momma Bear regarding her girls. We both shared the love of animals. I can only imagine how much she will be missed. Please take care and know many others also have you in their thoughts and prayers. A special lady has left this world well loved.

One of the first people I would have been introduced to when I started my employment at Water Conditioning in 1979. I was lucky to run into her again at a retirement lunch a couple of years ago. A beautiful soul. My condolences to the family
