We so enjoyed our time with Dolly and Wally. Dennis was like a big brother to the girls back in the early 1970's. We had some good times. Love you girls!!!

— **Dennis and Sheree-Lee MacNaught**

Early in life you were my super babysitter as well as cousin. I can remember early conversations my parents had about Dolly and her trendy high heels leaving dents in the lino! What a terrific girl you were. In my returns to Canada, my itinerary wasn't complete without a visit with her. She would serve up wonderful Ukrainian food and haul out the photo albums to proudly show off her memories of raising her family. I trust that my itinerary in the future will allow me to catch up with my cousin Dolly!

I was very sadden when I heard about Dolly. She was a remarkable person. We get so busy in our little lives that we forget how much others have meant to us. I will always remember Dolly with her ready smile and awesome laugh. So proud of her beautiful daughters. She was a hard worker and a great partier. I am sure that her passing will leave a large hole in the hearts of all that loved her. But I am sure she is loved always by those she left behind and those she is with now. Take care

Sorry to see that Dolly passed away. My sincere condolences to her daughters and their families. I will always remember the tons of fun we had doing Ukrainian dancing together with the girls!! And remembering how Dolly was always there supporting us and was a great leader in the Ukrainian community. And there was always a good time at Wally's and Dolly's after a great performance!!

I worked at Elmview for a short time and I so enjoyed Dolly, she had such a smile and was usually willing to sit and have a chat. I enjoyed my time with her tremendously. My sympathy goes out to her whole family, she will be missed.
