Sam you were also part of our Maxxam family.

Sam worked with and for me coming this Dec would have been 24 years so for over half of his short life on this earth. In that time we not only became coworkers but friends. Sam was my right hand man and today it feels like Maxxam and I have lost a lot more than just a right hand. We have also lost part of our family, a mentor, a true friend, and a beautiful human being. these thoughts are also shared by many of the clients Sam look after over the years.

In all the time Sam worked for Maxxam I can honestly say I never heard anyone from Maxxam or a client say a bad word about Sam.

Sam had a wicked sense of humor, a great smile and infectious laugh, We will miss the warmth and joy you brought into the room when you entered.

Sam you will be missed by many but not forgotten.

From : Kim Sturek and the Red Deer Maxxam Staff.
