— **Jean Michalycia**

My deepest condolences to Pam's family and friends. She always had a story to share in her soft-spoken, slow, almost drawl. As she spoke there was a glimmer in her eyes. She was a talented, creative woman. She will be missed by many that knew her.

— **Lolita Vansteelandt**

She will be remembered in so many hearts forever.

— **Lyn Ryan**

I want to express sincere condolences to Bobby and Pam's family.

I had the privilege of working with Pam in Registrations at the Pasqua Hospital for the past several years of her career with the Health District. Pam was a loving and caring person. She was very artistic and very educated on many topics and interests that surprised me as I got to know her better over our working career.

She was a wonderful listener and she loved to share her stories as well. I remember her expressing her love of camping with her family, snowshoeing in the winter for exercise and bike riding in the summer to work. Pam's real love was her family, Her son and grandson and her grandchild and of course Bobby.

I will miss Pam dearly and her heart of gold will always be remembered by anyone that knew her.

— **Denise Shewchuk**

My deepest condolences to Pam's family and friends. She will be forever missed.

— **Lori Schuster**

My deepest sympathy to her family. Pam found her soul mate when she met Robert. She spoke lovingly of her son and grandson. She surrounded herself with these artistic people and was so proud of them all. I am proud to have a number of her paintings and jewelery.

She is and will be missed.

— **Peggy Drake**

My deepest sympathies to all of Pam's family.

— **Lindsay Aldcorn**

I had the privilege of working at Pasqua with Pam. She had a huge heart and was thoughtful and considerate of her co-workers. She spoke very highly of her grandson in our

Conversations of grand kiddos. And of course her boyfriend and son. You won't find many people with a heart as big as Pam's.

— **Theresa Baudu**

My thoughts are with Pam's family and friends. She will be missed by all who knew her.

— **Sylvia Buhr**

Pam accept me as her family right away. She helped me raise Tyren to be the amazing young man he is today. I will be forever grateful for showing us her unconditional love. I will miss her deeply.

— **Jessica Ryan**

My sincere sympathies to Pams loved ones. Pam had the most creative spirit, and such passion for outdoor life. We had many conversations around our shared interests of camping, gardening, and traveling experiences. I was inspired so often by her willingness to try her hand at something new and share her efforts. Pams jewelry creations were always uniquely created with such care and thought. I'm thankful that I saw the beauty in them, as she did. These pieces, along with our shared interest conversations will be treasured memories.

May your love for Pam and shared fond memories give you strength during this difficult time.

— **Tammy Cyr**

Pam will be missed by all who got a chance to work and got to know what a wonderful person she was. Rest easy my friend forever missed.

— **Deborah Wolfe**

Our cousin Pam was one of those people who had a beautiful heart and a caring soul. She will be remembered by us as a woman who loved her family and friends, enjoyed creating and learning and someone who held a great many other interests in her all too short life.

Our condolences and sympathies to Maurice, Tyren, Bobby and Richard & Rob's families.

What we all would give for one more day. Rest peacefully dearest Pam. You will always be remembered with love.
