My first memories of Colin was when he played fastball with Forest, that group had a great time with each other. We enjoyed our visits with Colin, usually at the rink, and it was always great to have those short visits. We will miss him turning out the rink lights. Our thoughts are with you all.

To the Colin Klemp family our sincere condolences. Although we moved, we have fond memories of Colin and Ellen, particularly during our time with the Forest ball club. Over the years we have had brief visits at local functions and a chat with Colin last fall. Our thoughts and prayers are with you at this time.

To Colin's family,

We extend our condolences to all of you. Colin will certainly be missed by all who knew him. A nice man that always had a smile on his face and was someone that was easy to visit with. He was so proud of all of his family, and we felt lucky to have been included in some of the neat stories he would share.
